Your ShoreLand’r® One Year Limited Warranty

During the terms of the Limited One Year Warranty on your ShoreLand’r® trailer and accessories, Midwest Industries, Inc. (hereafter referred to as “Midwest”) covers the cost of all parts and labor needed to repair or replace any Midwest supplied item (except tires) that proves defective in material, workmanship or factory preparation. These repairs or replacements (parts and labor) will be made by your dealer at no charge using new or remanufactured parts.

Your 1-Year Basic Limited Warranty

What is Covered

The 1-Year “Basic Warranty” covers every Midwest supplied part and accessory on your trailer, EXCEPT its tires, which are covered by a separate warranty included in your Owner’s Packet.

The “Basic Warranty” begins on your trailer’s Warranty Start Date. The Warranty Start Date is the earlier of (1) the date you take delivery of your new trailer, OR (2) the date the trailer was first put into service (for example, as a dealer “Demo” or as a Midwest company trailer). The “Basic Warranty” lasts for 1 year (12 months) from this date. The “Basic Warranty” covers the cost of all parts and labor needed to repair any item on your trailer that is defective in material, workmanship, or factory preparation. You pay nothing for these repairs.

Exceptions

The following items are not covered:

• tires
• alignment
• paint and/or finish
• normal wear and tear

Your Legal Rights

Under Midwest’s Limited Warranties

All of the Midwest Limited Warranties stated in this booklet are the only express written warranties made by Midwest applicable to ShoreLand’r® trailers. These Limited Warranties give you specific legal rights and you may also have other rights which vary from state to state. You may have some implied warranties, depending on the state in which your trailer is registered. For example, you may have:

1. An “implied warranty of merchantability” (that your trailer is reasonably fit for the general purpose for which it was sold);
2. An “implied warranty of fitness for a particular purpose”, (that your trailer is suitable for your special purposes; if your special purposes were specifically disclosed to Midwest itself (not merely to the distributor or dealer) prior to purchase.

These implied warranties are limited, to the extent allowed by law, to the time period covered by the written warranties set forth in this publication.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Subsequent Buyer/Owner

The Midwest ShoreLand’r Warranty is extended only to the first buyer/owner of the trailer. This is defined as the first legal owner of a Midwest ShoreLand’r trailer other than an authorized Distributor or Dealer who has bought the trailer from Midwest for resale to the public.

Things You Should Know About Your Limited Warranty

Pre-Delivery Service

Defects in or damage to any components of your trailer may occur at the factory or while it is being transported to the dealer. Normally, any defect or damage occurring during assembly is detected and corrected at the factory during the inspection process. In addition, dealers are obligated to inspect each trailer before delivery. They repair any uncorrected factory defects or damage and any transit damage detected before the trailer is delivered to you.

Trailer Alteration

This warranty does not cover alteration of the trailer, or failure of trailer components caused by such alteration.

Production Changes

Midwest and its distributors/dealers reserve the right to make changes in ShoreLand’r trailer built and/or sold by them at any time without incurring any obligation to make the same or similar changes on trailers previously built and/or sold by them.
